

Rare Purls Original Pattern

Easy Breezy Summer Wrap

Materials – OnLine Linie 12 “Clip” - (4) 100 gram hanks

Needle - #13 US circular needle – 24” or longer.

Circular needle is used to accommodate number of stitches required for wrap.

Note – Yarn is held double stand throughout pattern.

Piece is worked back and forth on circular needles.

Cast on 125 stitches using backwards loop technique.

Row 1 – Knit 2 together, *(yarn over, knit 2 together). Repeat from * across to last stitch, yarn over knit 1.

Repeat row 1 (29) times.

Bind off instructions – When binding off each stitch, pull up a loop of sufficient size, approximately 2 inches, to bridge YO space of previous row. Begin by binding off first stitch, then proceed by binding off the YO, knit stitch together, pulling up loops before passing stitch over for bind off. Continue binding off 2 stitches at a time across.

Designer note – It is helpful to practice this bind off on a swatch knit in stitch pattern, before proceeding with bind off on wrap. It is a little tricky maintaining loops of sufficient height to preserve the openwork detail during this bind off.
